A Plus for the City

Boutique Larrieux, a plus-size women's boutique, is expected to open March 16 at 717 N. Milwaukee St. It's the first retailer to commit to Milwaukee Downtown's Business Improvement District since the BID was launched last year. Owner Lydia Hamilton will offer ready-to-wear designers and casual/contemporary apparel and accessories in the store and through an e-commerce store at www.boutiquelarrieux.com.
